## INDORSEMENT YET TO COME

**ROOSEVELT MAKES A PURELY  
SOCIAL CALL ON PRESIDENT  
TAFT.**

## SILENCE BECOMES OMNIOUS

**The Disappointment Voiced by Some  
of the Pronounced Administra-  
tion Organs.**

Washington, July 1.—The purely social call which former President Roosevelt made upon President Taft at Beverly yesterday has proven a keep disappointment to the partisans of the Taft administration because it was so purely social that the long hoped for indorsement of the administration's course by Mr. Roosevelt has not been forthcoming, either from Mr. Roosevelt or through Mr. Taft's friends.

### Washington's Disappointment.

The mutually effusive demonstration of personal friendship between the president and his predecessor has not been potent to compensate the administration in Washington for the absence of a single expression in the two-and-a-half-hour visit and talk between Mr. Roosevelt and Mr. Taft that might have been given to a curious public as in any way resembling an indorsement of the course of the Taft administration.

This disappointment is voiced today also by some of the pronounced administration organs, which, while admitting that Mr. Roosevelt has already given evidence by his actions that the difference between himself and Mr. Taft over the Ballinger-Pinchot situation is irreconcilable, suggest that the administration has accomplished much which entitles it to indorsement from Mr. Roosevelt, and these papers deplore the fact that no such indorsement was forthcoming from the former president, even in a vague way, when the newspaper correspondents held him up after the call on the president. This, with the silence on the subject of the visit. Administration sources regard a depressing and ominous.

## ROOSEVELT TURNED DOWN AGAIN

**Direct Primary Bill Rejected by New  
York Senate 25 to 19.**

Albany, N. Y., July 1.—The Cobb direct primary bill was defeated in the State Senate today by a vote of 25 to 19.

When the extraordinary session of

the legislature entered upon its final stage today indications pointed to the failure of the efforts of President Taft, Theodore Roosevelt and Governor Hughes to bring about the passage of the Cobb direct nomination bill.

After bitter debate which lasted until early this morning, the senate by a vote of 24 to 23 concurred in the Assembly resolution, fixing the hour for final adjournment at 2 o'clock this afternoon. Advocates of the Cobb bill who mustered but 23 votes at a caucus last night, endeavored to send the resolution to the finance committee, where it was planned to hold it up so as to give more time to the consideration of the Cobb bill.

The bill was killed in the senate after the amendments proposed by Lyd Griscom, Chairman of the New York County republican committee, and incorporated in the measure by a vote of 24 to 21.

The result of the fight in the senate was an even more positive refusal to accept Roosevelt's leadership in the matter than that of the assembly yesterday.

## SOCIALISTS ENCAMPMENT

Socialists begin their three days state encampment on the glorious Fourth. Their leaders both state and national are advertised to be here, from New York to Texas.

Speaking, swinging, eating, showing and all the attractions known to draw a crowd are declared features. It is estimated that the attendance will be away up into the thousands and no doubt since there is no other picnic or attraction here and it beginning on the Fourth when every patriotic American wants to celebrate his nation's birth day and mingle with his fellow man that the first day will be attended by hundreds and hundreds of people of the city and surrounding country.

But what a day for the socialists to celebrate! A day when every loyal American's heart swells with pride at the sight of old glory, the thought of the nation's bloody though humble birth and unparalleled achievements. Doesn't it seem the acme of inconsistency for a party who is opposed to everything our forefathers fought for and the American flag stands for to have a love feast on that day. When, oh, when shall we see a safe and sane Fourth?

## WILD RUMORS AT RENO, NEV.

**FEAR THAT SOMETHING MAY  
HAPPEN TO PUGS TAKES  
HOLD OF CAMP.**

## BOTH FIGHTERS ARE SOUND

**Reno Scene of Excitement—Every  
Train Unloading Fighters and  
Fight Fans.**

Reno, Nev., July 1.—With the appointment today of the timekeeper, the list of ringside officials for the Fourth of July contest between Jeffries and Johnson, upon which rests the undisputed heavyweight championship of the world, was completed. The officials are:

Tex Rickard of Nevada, referee; Charles White of New York, alternate referee; George F. Harting of San Francisco, timekeeper; Billy Jordan of San Francisco, announcer; "Tim" Sullivan of New York, stakeholder; Tom Corbett of San Francisco, betting commissioner.

Despite the persistence of rumors that Rickard does not intend actually to referee the contest no tangible ground for the report could be discovered. Rickard himself denied

mor kept the war correspondents hopping around in circles.

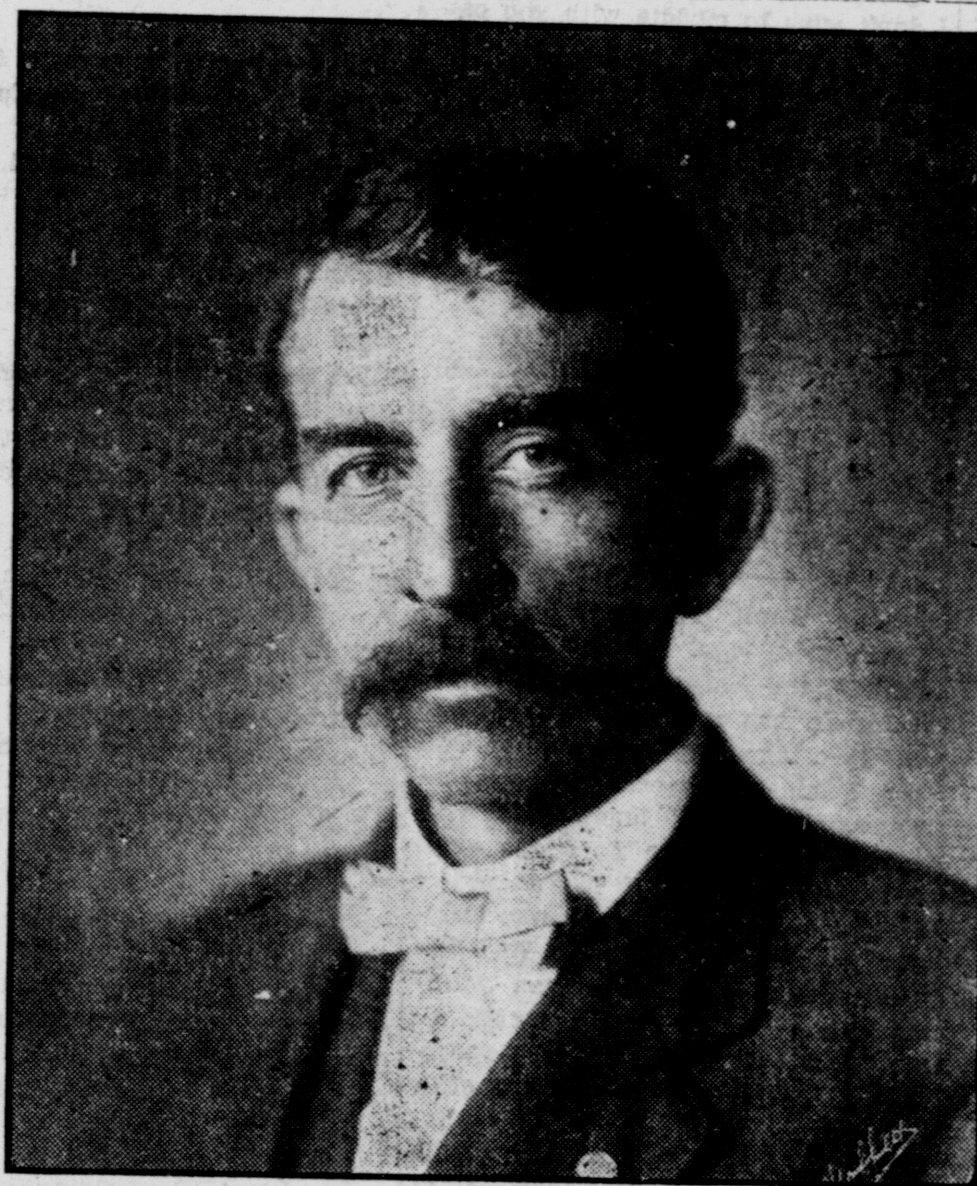

The depot at Reno was a scene of excitement all day. Every train from the coast unloaded fighters and fight fans at every gangway. So many notables arrived that the correspondents began to look hopeless. It was impossible to talk to them all and some escaped unharmed.

When the evening shades allowed the visitors to go out on the sidewalks and circulate without discomfort, the walks were solidly blocked with notables and un-notables. All were talking fight. From a door of a pool room, a hoarse voice roared out his wagers through a megaphone.

### SOCIALISM AND SOCIALISTS.

There is a vast difference between socialists as they would appear and socialists as they are—therefore a great difference between socialism as it is preached and as it is practiced, apparently every socialist would give his neighbors a "square deal" in reality he gives him a bad hand when the opportunity presents itself. Socialism as preached would say "Love thy neighbor as thyself"; as it is practiced it is "Let him bear the burden and keep him loaded."

For their coming encampment no doubt they have spent a hundred dollars at a conservative estimate in advertising the affairs at this place from where they expect to draw a

emphatically that he had any intention of stepping down at the last minute in favor of the New Yorker.

"I am the referee," he reiterated, "and I am going to do the refereeing" Here Rickard reached into his pocket and produced a roll of bills. "Here, just bet that \$500 for me that I referee the fight. That's how I feel about it." Of the fight officials above named, all but Jordan are on the ground. Harting and Sullivan arrived today.

"I have \$50,000 of the purse money now in my hands," said Sullivan, "and the rest will be turned over to me tomorrow."

Reno was much perturbed by rumors today. They were flying everywhere about Jeffries, rumors about Johnson, rumors about Rickard and the referee; rumors about everything and everybody directly or indirectly connected with the fight.

Taking the Jeffries rumors in chronological order, this morning he broke his left forearm, at noon he ruptured a blood vessel in his elbow, and at 2 o'clock in the afternoon he underwent an operation for appendicitis.

In spite of all this hard luck, Jeffries was sufficiently recovered at 5 o'clock to look up from a game of cards and drawl: "Well, so long as I am all right on Monday afternoon, it don't cut much figure what happens to me now, does it?"

Another of the flock of rumors that galvanized into life the corps of newspaper men and sports that dotted the shady side of Center street, was one to the effect that Sam Langford would box with Jim Jeffries before daylight faded. That particular ru-

great deal of the revenue for campaign purposes and we have yet to find one cent of it going to a local print shop. Oklahoma City gets the money. That is socialism practiced by socialists.

## CAPITAL SITUATION STILL UNCHANGED

**STATE BANK COMMISSIONER  
WILL MOVE OFFICE TO OK-  
LAHOMA CITY FIRST OF  
WEEK.**

## ORDER COMES FROM HASKELL

**Governor Still Doing Business at Ok-  
lahoma City and is Seemingly  
Confident of His Po-  
sition.**

Guthrie, Ok., June 2.—State Bank Commissioner E. B. Cockrell will move his office to Oklahoma City the first of the week and records of the Banking Department will follow as soon as suitable quarters can be provided. The order, it is understood, came from Gov. Haskell, who is doing business for the state in that city, and will include the state banking department, which has up to this time transacted its office work in Guthrie. Neither the banking department nor the state bank board are constitutional offices, and were not covered in the blanket injunction granted by district judge Huston on June 11.

There has been no other change in the state capital situation. Attorneys for Judge Huston and County Attorney Hepburn completed their filing of an answer to the application made by Gov. Haskell for a writ of prohibition against the lower court, and the arguments will be renewed before the supreme court this morning.

The court has announced that the case would be completed, as far as presentation goes, but there is no intimation of how soon an opinion may be expected.

It is understood that in event the writ is granted, thus lifting the lower court's embargo, an executive order will be made at once transferring all offices to Oklahoma City before other court proceedings can be instituted.

### SHE WANTED A COWBOY SHE GOT THREE HUNDRED

**Instead of a Husband, a Girl Saw a  
Very Wild West Show.**

New York, July 1.—A Bronx girl got three hundred cowboys today when she had asked for only one. She is Miss Ida Thompson, 20 years old. It became known yesterday that she had written to the postmaster of

Denver asking for a cowboy as a prospective husband. After Westchester, Unionport and adjacent portions of the Bronx had recovered from the chagrin of not being able to produce a man good enough for Miss Thompson, the festive youth of the region organized a band of Rough riders.

A very Wild West show recently played the Bronx and the aftermath has been wigwags, revolvers belts and slouch hats. Attired in all except the wigwags, a band of boys from 10 to 16 years in age paraded out to the house of the girl who craved a Dustin Rarnum sort of a hero.

The "cowboys" wore placards inscribed, "Fresh from Colorado." Have a Look. "Denver Dan, That's Muh." and other frivolities. They surrounded the house. Miss Thompson's father and brothers charged on the crowd and drove them about, but it was necessary to send a squad from the Westchester station to clear the street. Miss Thompson kept out of sight.

## FRISCO WILL TEST JURISDICTION OF CORPORATION COMMISSION

Guthrie, Ok., July 1.—The Frisco railroad will test the jurisdiction of the Corporation Commission to order a railroad company to maintain firmen at street crossings. The commission made an order requiring two streets in the city of Lawton to be so guarded and the company has appealed to the supreme court of the state.

Entered as Second Class matter,  
March 26, 1904, at the Postoffice at  
Ada, Okla., under the Act of Congress of March 3, 1879.

Upon what theory are we to understand the silent acquiescence of the republican party in the nefarious Hook decisions? Are they so completely dominated by the railroad interests that they are powerless to protest against the infamy? Are they so prejudiced against the constitution that they indorse the exploitations of the people that the constitution may be shorn of its strength? Are they careless of public robbery, whenever that robbery tends to obstruct democratic administration? Or is silent acquiescence in railroad pillage one of the conditions imposed by the railroads when they first began to finance the Republican campaigns?

But while the real cause of the silence is conjectural, the silence itself is open as the skies. The plundering of the state goes ruthlessly on, but the silence is yet unbroken. The Santa Fe raises all its freight rates and no word of protest comes from any republican source. The Katy raises its freight rates and all republicans silently acquiesce. The Frisco raises its freight rates and the whole republican aggregation is as silent as the seven circles of Hell. The same party that raised unadulterated Hades when a democratic administration appropriated money to build an asylum for the insane does not in the present crisis record a single protest when the railroads inaugurate one of the boldest schemes of larceny that ever disgraced God's earth.

"Let the People Know" that in this crucial hour no republican candidates is an advocate of the people's rights. "Let the People Know" that no Republican politician in Oklahoma is defending the people's cause. "Let the People Know" that the republican press of Oklahoma is too busy denouncing the local school tax to worry about railroad extortion.

### WHAT THE CANDIDATES HEARD AT LIGHTNING RIDGE

#### Song to Candidates.

Now listen to me citizens and candidates;  
To the way this got started I can hardly explain.  
I just got to studying and got your names on my mind,  
Then got to wondering who would come out behind.

CHORUS.  
You mustn't drink toddy, or your mustn't drink beer,  
The second day of August will soon be here.

Here comes Mr. Mitchell, I think he's mighty nice,  
But Fussell's going ahead a breaking the ice.  
Here comes Mr. Farmer he's a mighty nice man,  
He would like to be the sheriff, but I don't think he can.  
Here comes Mr. Thompson, one of the prohibition men,  
He's laid aside the whiskey and taken to the gin.  
Here comes Mr. Chapman, he is looking mighty neat,  
But in the sheriff's office he can never take his seat.  
Here comes Mr. McClure, the best I can tell,  
If he was running for the drinks, he wouldn't get a smell.  
There is five to be defeated and one to gain the race,  
The ones that get defeated will have a long face.  
What about Mr. Cox? and Mr. Lindsey, too?  
Other districts will wonder if that is the best we can do.  
For district clerk we ought to have a good man,  
But the way it is now we will just do the best we can.  
Now Mr. Candidates, I wish you a warm race,  
The ones that get defeated, we can tell it by his face.  
He will have tears in his eyes and a quivering of the chin,  
He will be studying about the man that has just gone in.  
Now says Mr. Davis to Mr. Roddie one day,  
"If I should get off to senate, just what would be the pay."

"I can not tell you, it don't all come from the same source,  
You'll get a good salary and a lot more of course."

"It will beat dealing in fine horses or buying and selling mules,  
The first thing when you get there is to learn the senate rules."  
"You need not be a studying, or wondering about the pay,  
I am going back to the senate and at home you can stay."

"Now," says Mr. Davis, "You have some mighty big talk,  
I am going to the senate if I have to walk."  
Here comes Mr. Roland, Mr. Wimbish by his side,  
To gain that office is each man's pride.  
But a preacher and a lawyer ought to run a warm race,  
Each man is running with good grace.  
They have the Bible and Digest in each hand,  
Saying to the people don't you think I am the man.

Now Mr. Candidates I wish you both well,  
But whom will get the office I'll declare I can't tell.  
Most candidates have very nice ways,  
But what makes them want the office is the amount it pays.  
Now Mr. Candidates I have this much to say,  
The one that gets the office, had better make it pay.  
So when your time expires and out of office you come,  
You can whisper to your friends I saved a little sum.

Then you can open up a store, just handle boots and shoes,  
In case you run a drug store you might sell a little booze.  
Mr. Candidates, who ever you may be,  
I hope to the Lord you won't think hard of me.  
I would not have studied and composed this song,  
If I had ever thought it was any wrong.

But the material was plentiful and brains in the head,  
You that get defeated will remember what I said.  
I don't wish to meddle with you candidates affairs,  
I want you all to well remember you still have my prayers.

When the primary is over, and the returns have gone in,  
You boys can all get your bottle of gin.  
Then you can drink your toddies, and not drink them on the sly,  
The second day of August will be passed by.

I think you Mr. Candidates and white folks to,  
We all will be proud when the campaign is through.

### FORGERY CHARGE PROVING AN INTERESTING ONE

The case of L. L. Moshier Jr., of Wagoner, Okla., who was apprehended in Oklahoma City Wednesday by secret service officers and returned to Ada on a charge of forgery by Deputy Miles, bids fair to be an interesting one.

It seems that there has been a serious misunderstanding between Moshier, F. R. Harris and R. P. Ford about the authenticity of some deeds and descriptions of land purported to have been transferred to Moshier by Ford and Harris, who deny the authenticity of the papers and filed a complaint against him for forgery.

When arrested in Oklahoma City it is alleged Moshier was consummating a big deal in Oklahoma City real estate with one F. A. Almsdell, the consideration being about \$8,000.

It appears that Mr. Moshier was giving in payment the deeds purported to have been transferred to him by Ford and Harris. When Almsdell heard of Moshier's arrest, he started in quest of the latter and upon finding him asked that the deeds be placed in escrow to which the latter readily consented.

Yesterday as Moshier was on the eve of making bond in the first charge a second charge was preferred and he was remanded to jail again. The defendant has employed attorney Galbraith, and McKeown and will make a determined fight. The last charge against him was dismissed this afternoon and his bond for the first placed at \$750 which at the last account he was preparing to make.

It is claimed that Moshier is a man of some prominence, having been in government service, and once employed at Lehigh in charge of an abstract business. It is also reported that his mother of Wagoner will come to his assistance and will arrive today.

Moshier demands a speedy trial and says he had no intention of wrong doing.

### GEO. A. HENSHAW FOR CORPORATION COMMISSIONER

Before casting your vote for Corporation Commissioner, carefully read and consider the following reasons why Geo. A. Henshaw should be nominated:

This State and five others are now passing through litigation of the greatest magnitude in which the railroads are trying, through Federal Courts, to have the orders of the Commission set aside, the two cent fare provision of the Constitution held void, and the three cent fare permanently restored.

Mr. Henshaw was selected to assist in conducting this litigation without any solicitation on his part, and was selected solely because of his ability to meet the contentions of the great railroad lawyers and experts. The railroads succeeded in getting a temporary injunction, notwithstanding it was conclusively shown that the railroads had greatly increased their earnings on the rates prescribed by the Commission; that the passenger fares for the year 1909 at two cents a mile produced a gross revenue of from twenty to twenty-five per cent more than the railroads earned in 1907 at three cents a mile, and without any increased operating expense. That the Rock Island system in Oklahoma earned \$500.00 a mile, at two cents, more than it earned in Texas at three cents.

The railroad experts swear that it costs from twenty-five to fifty per cent more to do state passenger business than it does interstate passenger business,—that is, if a passenger gets on a train in Oklahoma it costs from twenty-five to fifty per cent more to haul this passenger than it would if the same passenger had been carried across the state line. The experts of the railroads also testified it costs from two to eight times as much to do state freight business as it does to do interstate freight business. These statements were made, not based upon any actual figures or facts, but as expert opinions. To win our suits in the Federal Courts these contentions must be met and the evidence must be gotten up in the main by experienced men.

Mr. Henshaw has had nearly three years training and experience with Corporation Commission of Oklahoma in all litigation and investigations, and now understands, probably better than any other man in the State, all the legal and accounting technicalities presented by railroad attorneys and experts, and is prepared to meet these contentions as no one could be, without like training and experience.

The voter must remember that the railroads employ the best talent that money can hire. The State should certainly elect a man to this important office, at this time, who possesses the ability and qualifications, integrity and aggressiveness, together with experience and training which are all necessary in coping with the

## A WEAK WOMAN AND HER STORY

In Floral, Ark., Lives a Lady Who Feels Her Strength Was Restored by Cardui.

Floral, Ark.—"I must speak a good word for Cardui," writes Mrs. Viola Baker, of this place.

"About a month ago I was in very bad health. I was so weak and nervous that I was not able to do my housework. 'My husband bought me one bottle of Cardui, the woman's tonic. I took it according to directions and now I am in good health."

"I think Cardui is a fine tonic for weak women."

And you are not the only lady who thinks so, Mrs. Baker.

Thousands, like you, have written to tell of the wonderful benefit Cardui has been to them.

Cardui contains no minerals, or other powerful drugs. It contains no glycerin or other mawkish-tasting ingredients.

It is just a pure, natural extract, of natural vegetable herbs, that have been found to regulate the womanly functions and strengthen the female system.

All druggists sell Cardui. See yours about it.

array of trained railroad attorneys and experts, if our fight in the Federal Courts is conducted to a successful end. It is more important at this time, because of this litigation, than at any other time in the history of the State, and possibly more important than at any time in the future.

If you were involved in litigation yourself, the result of which would amount to millions of dollars to you, you would select a man to direct and conduct this litigation who had experience and ability to carry it to the most favorable termination. In selecting a man for Corporation Commissioner at this time you should apply the same rule in the interests of the state that you would apply in your private affairs.

The men who are in the best position to know the ability of Mr. Henshaw, including the present members of the Commission and the state court before whom the various cases have been tried, would and do commend him to your consideration in the highest terms.

Mr. Henshaw has represented the state before the Corporation Commission and the courts as attorney for the Commission in over three hundred cases, and has conducted a great majority of them to successful termination. He assisted in the preparation of the two cent fare and rate cases and made arguments in these cases in the Federal Courts in Kansas City, St. Louis and St. Paul. Judge Hill, who resigned from the office of Chief Justice of the Supreme Court of Arkansas to assist in conducting the rate litigation in that State, spoke in the presence of Judge Rosser of Poteau, in the highest terms of the ability exhibited by Mr. Henshaw in the preparation of the rate cases for the State of Oklahoma.

During the past year, more than eighteen thousand dollars overcharges have been returned to shippers through the commission. In one case which was filed before the Interstate Commerce Commission and prosecuted by Mr. Henshaw, he secured a rebate of \$2,800 for one shipper in the town of Duncan.

It should be remembered that Mr. Henshaw has only held one elective office; delegate to the Constitutional Convention, where he was considered among the leaders; that he has been appointed to render other services to the state or employed as any other lawyer would be employed. Upon the earnest solicitation of men like Jack Love, Colonel Watson and Colonel McAlester and others in a position to know his ability and fitness for the office, he became a candidate for Corporation Commissioner.

Before you cast your ballot for Corporation Commissioner in the Democratic Primary on August 2, 1910, consider well the candidacy of George A. Henshaw.

## PAVING CONTRACT TO SAME PARTY AT SAME PRICE

RELET TO SHELBY DOWNARD CO. REASON OF RE-LETTING WAS TO CURE IRREGULARITIES.

City Under Obligations so It Couldn't Safely Let Contract to Municipal Paving Co., of Dallas, Whose Bid Was Lowest.

Councilman Shed Chapman started the ball rolling by introducing the following resolution:

STATE OF OKLAHOMA, COUNTY OF PONTOTOC.

Resolution of the City Council of the City of Ada, Oklahoma.

Whereas, the City Council of the City of Ada, Oklahoma, has advertised for bids for a contract to pave the following streets in the city of Ada, Oklahoma, namely, Main street from the M., K. & T. railroad to the Frisco railroad and Broadway street from 12th street to the Frisco railroad and Townsend street from 12th street to the Frisco railroad, and

Whereas, the City Council is desirous of securing the contract which will best subserve the interest of the taxpayers, therefore,

Be it resolved by the City Council of the City of Ada, Oklahoma, that

Shelby Downard Co. and Mr. Carmack for the Dallas Municipal Paving Co., in behalf of their respective claimants. When opposing members of the council had argued out their contentions, Mr. Chapman proposed that the bid of the Dallas Municipal Paving Co., be accepted. The only vote supporting Mr. Chapman was that of Judge Grigsby. On the motion that the Shelby Downard Co. be rewarded the paving contract. The vote stood: Evans, Crowder, Weaver, Hope, Sims, West, aye; Chapman, Grigsby, no.

Now, since all irregularities have been cured as to legal procedure, paving work will be resumed within the very near future.

The News will undertake to publish a comprehensive write up of the late entanglement within the paving undertaking in its next issue, publishing the estimated view point of Mr. Chapman and Judge Grigsby on the one side and the estimated viewpoint of the mayor and balance of the council on the other side.

the said City Council consider all bids and accept the lowest bid offered when said bids are opened and examined, provided said lowest bid conforms to the plans and specifications advertised.

Adopted this the — day of July, 1910.

Mayor of the City of Ada, Okla.

Clerk of the City of Ada, Okla. When the merits of the Chapman resolution had been argued, Mayor Little briefly stated, that in his judgment the resolution was out of order since it was inconsistent with the published notice prescribing that the contract should be let to the lowest and best bidder, but that he would pass it to the council for decision. The resolution was defeated, all but Mr. Chapman voting in the negative. An executive session was ordered and the bids opened and read. There were two, being Shelby Downard & Co., whose bid corresponded to their former bid, being \$81,684.44 and the bid of the Dallas Municipal Paving Co., represented by M. E. Carmack, whose bid was \$75,758.70; being \$5,926.14 lower than the Shelby Downard company bid. At the conclusion of the reading of the bids, and a hearing of the remarks of each, Mr. Levy for

## Ada Social Events

**At Mrs. Weavers.**  
Mrs. Carlton Weaver entertained Thursday evening in honor of her guest, Miss Margarette Rebman of Holdenville. About twenty guests were present and the lively and always interesting games of Rook and Forty-Two were enjoyed till a late hour. Before the long march homeward the guests were refreshed with a service of ice cream and cake. A delightful evening is reported by the guests.

**Kill Kare With Mrs. Hope.**  
Mrs. Hope was hostess to the Kill Kare club Wednesday. When her guests stepped into the house they were reminded by the patriotic decorations that the 4th of July was near, for the interior was bedecked with flags and bunting.

Miss Sallie Fulton presided at the punch bowl. Delicious lemon snow was also served.

With the K. K. K., the number a hostess may invite is limited to five tables, but as a number of the club members could not be present that afternoon, Mrs. Hope invited out of town visitors with their hostesses to fill the vacancies. The guests report a most enjoyable meeting.

**W. C. T. U. NOTES.**  
Who can mention any good, or blessing in the liquor traffic?  
Who supports the criminals, paupers and the insane?  
Not the people who support the saloon, nor the people who make men public charges.

Some day the people will unite to protect themselves against the liquor traffic—God hasten the day. Civic righteousness consists in performance of civic duty and is applicable to the private citizens as well as the public official. We are in danger today from civic neglect. All the principles of civic righteousness are involved in the exercise of the responsibility of citizenship, and he who fails to assume his part of the burden of the common wealth is guilty of civic neglect and to that extent responsible for civic unrighteousness in public life.

One of the greatest evils that confronts us and threatens our individual, social and national welfare, is the organized liquor traffic, and the opposition to it is comprehended in the struggle for its overthrow which has assumed such wide spread activity in the past few years. Votes count in this country, and any reform, to win, must have votes. Assertions, sermons, speeches, all these are necessary but unless they are backed up by the performance of civic duty in accordance with the principles of civic righteousness, they are ineffective. VOTES COUNT—and a vote is the demonstration of a citizen's loyalty.

**Mrs. Ganong Reinstated.**

N. and her friends are delighted too.

## JUDGE ROBT. JONES

**THE JONES DESERVE RECOGNITION; LEADING ONE OF CHICKASAW NATION CANDIDATE FOR DISTRICT JUDGE.**

The Pontotoc county friends of Hon. Robt. T. Jones of Pauls Valley, those who knew him in Texas, where he started in early youth, manly, and studious to emulate the character and perseverance of his distinguished father, a long time member of congress, feel gratified that the reports from the people of the border counties to this county, McClain, Garvin and Murray counties, comprising the Eighth Judicial District, will probably elect him to the district judgeship. More especially and particular will the Pontotoc county friends of Hon. Robt. T. Jones, who are conversant with the career of the Jones brothers, J. T. Lee and Bob in Garvin county, during the past 12 to 15 years, the manner and extent of the impression of their personalities on the social, commercial and political affairs of the district of their present residence, feel that the elevation of Bob Jones to the district bench is a proper recognition and one that will reflect very creditably on the bar and the people of the district.

When the Jones boys came stringing into Pauls Valley during the nineties, the resident citizens at once took their measures and the same

ones who haven't taken an allotment beyond or elsewhere have been measuring them ever since with varying results, except indeed, that contingent, which finally came to know it were more politic and practical to accept them at their own measurement and let it go at that. In the early nineties, following the reign of the Pauls-McClures in this great valley of the Washita, citizens descended from the best Indian blood and by marriage with such class, among them being the Grants, Garvin, Brannon Byers, Hill, Campbell, Paul and later Myers, Randolph and Moore, were practically the leaders in the commercial, social and embryo political affairs of the valley and country around. They owned and controlled a vast domain of land around Pauls Valley, and the thousands of cattle that it pastured. They were the leading bankers, merchants and cattlemen. All were good men and true, good neighbors and liberal creditors. Some of them were progressive, but inherently and by environment, as a class they were satisfied with their oligarchy.

It were the "Joneses" that came into Pauls Valley as it were the "Joneses" that came in to hundreds of other communities throughout the Indian territory, that reduced the cattle plains to the multiplied farms and paved the way for allotment in severalty, which must eventuate statehood.

It was the Jones' spirit, that built such splendid little cities as Davis, Purcell, Wynnewood, Lindsay, and Sulphur and Pauls Valley, the spirit that stood for push, progress and pure politics. All those who were bold and progressive pioneers must have met their reverses as well as successes. In times past there were a few sanguinary conflicts at Pauls Valley but continue good citizens long enough together and they always become friends. It is said that Bob Jones will carry his home county of Garvin practically solid.

The News is glad that Bob Jones is going to be a district judge for he has earned such honorable recognition.

**GILES W. FARRIS OF GREER COUNTY, FOR STATE PRINTER**  
The democratic committee of Greer county indorses Giles W. Farris, editor of the Mangum Star, for state printer, as follows:

Whereas, the members of this committee learn with pleasure that Hon. Giles W. Farris of Mangum has consented to the use of his name as a candidate for the democratic nomination for state printer of Oklahoma; therefore be it

Resolved that in commendation of his splendid service to the party in the past as a journalist, and further, because he is a clean, honorable and able man, and a democrat of the truest type, and for the further reason that he has eminently qualified himself for this position during his twenty-five years' experience as a practical printer, that we commend him to the democracy of the state. We have known Mr. Farris for the past nine years and have always found him on the right side of every public question and always willing to further the cause of democracy.

It is the sense of this committee that his election would be a fitting recognition of what once comprised imperial Greed, and if it be not asking too much we ask the democracy of the state to give us this recognition upon the state ticket.

Passed and approved this 2nd day of March, 1910.

T. W. BAKER, Chairman.

H. M. MALOY, Secretary.

—The Allen Hustler.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.  
Frederick Mannell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '09, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. ## MAKES WORK EASIER

**Ada People Are Pleased to Learn How It Is Done**

It's pretty hard to attend to duties with a constantly aching back; with annoying urinary disorders. Doan's Kidney Pills make work easier.

They cure backache. They cure every kidney ill. Charles Luther, Main St., Sulphur, Okla., says: "I can certainly recommend Doan's Kidney Pills, as I have used them with good results. During the past fifteen years my work obliged me to be on my feet the greater part of the time and this strain finally weakened my kidneys. About a year ago I suffered from a constant, dull ache in my kidneys and loins, could not sleep well and was very nervous."

As I had often heard Doan's Kidney Pills highly spoken of, I decided to give them a trial and procured a box. The relief I received from their use within a week was remarkable and the contents of several boxes restored me to good health. Doan's Kidney Pills did more for me than I expected and I have since felt better in every way."
